Envejecer también puede ser bonito

A photograph of three elderly men playing chess outdoors. One man is kneeling on the left, another is standing in the center wearing a white cap, and a third is sitting on the right. They are gathered around a chessboard on the ground. The scene is set in front of a building with windows and a tree. The entire image has a green tint.

En buena edad

*Llevamos envejeciendo toda una vida
Y cuando la vida nos envejece, ¿nos paramos?*
